HUBERT H. HUMPHREY FELLOWSHIP PROGRAM

OVERVIEW

**Humphrey
Fellowship**

A Fulbright Exchange Program

Founded in 1978 in honor of the late Senator and Vice President, the Hubert H. Humphrey Fellowship Program provides a year of professional enrichment and leadership development in the United States for mid-career professionals from designated countries throughout the world. The Humphrey Program fosters a mutual exchange of knowledge, builds professional capacity, promotes lasting ties, and enhances international cooperation in areas critical to U.S. engagement with developing and transitional countries.

Each year approximately 150 fellows, funded by the Bureau of Educational and Cultural Affairs of the U.S. Department of State, are grouped by professional focus area and engage in graduate-level non-degree study and related professional experiences at leading U.S. universities. The program now has a network of nearly 6,000 alumni in 162 countries around the world working to improve their communities and the lives of those in need.

To mark the 40th Anniversary of the Hubert H. Humphrey Fellowship Program, the State Department aims to acknowledge the extraordinary professional achievements and impact of Humphrey alumni during the Fellowship's first 40 years through a series of events around the world.

Celebrating the contributions of alumni from Asia and the Pacific, "Indo-Pacific Pathways to Cooperation" will be hosted in Jakarta, Indonesia from June 17-19th, 2019. The three-day conference, broadly focused on good governance, economic integration and development, secure borders, and transparency, will acknowledge the legacy of more than 1,400 alumni across the region and the communities enriched by them. The conference will also serve as a conduit to the future, documenting stories and successes and charting a path forward.

Dear Humphrey Alumni,

On behalf of the U.S. Department of State, it is my pleasure to welcome you to the Humphrey alumni conference *Indo-Pacific Pathways to Cooperation* in Jakarta, Indonesia.

We join you in celebrating accomplishments and reflecting on program goals to foster a network of global leaders who will work together to create a better future for our local, regional, and international communities. I want to recognize your extraordinary achievements and contributions to the fields of civil society, economic development and integration, transparency, security, good governance, public health, journalism, and sustainable development across the Indo-Pacific region. Your work makes your communities, your nations, and the Indo-Pacific region stronger and more prosperous.

The U.S. Department of State celebrated the 40th anniversary of the Hubert H. Humphrey Fellowship Program this past year. We took stock of the accomplishments of our alumni across the world and across sectors. Through events in South Africa, Croatia, Turkey, Panama, and now in Indonesia, we can see the impact the Fellowship has had, not only on the alumni of the program, but on the communities and campuses that hosted you.

Over the last 40 years, this program has built networks of leaders in politics, government, business, and civil society. We are proud to call you alumni of the Hubert H. Humphrey Fellowship Program. We hope that you will take every opportunity to share your experiences and expertise so that we can continue to learn from one another and further the Humphrey Program's impact in the region and around the world. Please join us on social media using **#Humphrey40**.

Sincerely,

A handwritten signature in black ink that reads "Marie Royce".

Executive Vice President
IIE

June 17, 2019

Dear Humphrey Alumni & Friends,

On behalf of the Institute of International Education (IIE), I am pleased to offer warm greetings and best wishes to all attending this workshop, *Indo-Pacific Pathways to Cooperation*. This event is just one of many being held worldwide to mark the Hubert H. Humphrey Fellowship Program's 40th Anniversary.

IIE would like to recognize your significant accomplishments, and applaud you as stewards of your countries' development and contributors to regional growth. We appreciate your commitment to the Humphrey Program and are so pleased you could participate in this important gathering.

While we are together in Jakarta, I encourage you to network with other Humphrey alumni and professionals from various fields, to share impactful experiences, and explore opportunities for future collaboration. You can work together to envision further positive change and development, and this workshop will be only the launching point.

Best wishes for a successful workshop,

A handwritten signature in black ink, which appears to read 'Max Angerholzer III', is written over a light blue horizontal line.
