A Fulbright Exchange Program

ABOUT

Hubert H. Humphrey Fellowship Program

The Hubert H. Humphrey Fellowship Program, a Fulbright exchange, enhances leadership among international professionals who collaborate to address local and global challenges and foster change for the collective good. Through academic study and professional development with U.S. counterparts, this growing global network shares best practices and builds expertise in fields of critical importance to advance societal and institutional capacity, promote human rights and freedoms, ensure sustainable environments, and develop thriving communities.

Humphrey Alumni Global Policy Series

In anticipation of the Humphrey Fellowship Program's 45th Anniversary in 2023-2024, the Humphrey Fellowship is launching the Humphrey Alumni Global Policy Series. This policy series will convene Humphrey alumni across world regions to address crucial global concerns and challenges at the national, regional, and local levels.

The Global Policy Series will take place in **Pristina, Kosovo** on **December 6**, and will focus on economic and human capital development, sustainability, environmental protection, and other critical issues. This event will include panel discussions, engagement with key stakeholders, and collaborative networking.

Venue: Civil Society House Foundation

Xhevdet Doda Street, Dukagjini Residence, 4th Floor

ABOUT

United States-Kosovo Educational Exchange Board (USKEB)

The United States-Kosovo Educational Exchange Board (USKEB) is a non-legal advisory board, founded for the purpose of increasing mutual understanding and advancing relations between the people of the United States and Kosovo through educational exchange programming.

The USKEB was formed to advise and assist in prioritizing resources and setting priorities for the United States-Kosovo educational exchange programming, including the Fulbright program for Kosovo, and is supported by the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA), the U.S. Embassy in Kosovo, and Kosovo's Ministry of Education, Science, Technology, and Innovation. USKEB is implemented by American Councils for International Education and Kosovo United States Alumni (KUSA).
